Reference: Amended April Monthly Report (3/1/95-3/31/95)  
dated 9/6/95

Dear Ms. Jennison:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report discloses a \$3,950 contribution to Neumann for Congress for the retirement of debts incurred by the candidate's primary election campaign; however, it appears that Neumann for Congress had insufficient debts to warrant such a contribution. Please note that a committee may only designate contributions to retire a candidate's debts if those debts exist.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should either notify the recipient and request a refund of the impermissible amount and/or notify the recipient, in writing, of your redesignation of the contribution. All refunds and redesignations must be made within sixty days of the treasurer's receipt of the contribution. Refunds are reported on Line 16 of the Detailed Summary Page and on Schedule A of the report covering the period during which they are received. Redesignations are reported as memo entries on Schedule B of the report covering the period during which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.
